Dear Sir:

RESPONSE

In response to the Office Action mailed September 24, 2002, having a three-month period of response ending December 24, 2002, Applicant encloses herewith a Terminal Disclaimer and Petition and Fee for a Two-Month Extension of Time and wishes to amend his application as follows:

IN THE CLAIMS: ✓

Please amend Claims 107, 112, 119-121, and 136 as follows:

107. (Amended)

C, A vehicular exterior rearview mirror system suitable for use on a vehicle, the vehicle including a passenger compartment and a longitudinal axis, said mirror system comprising:

an exterior mirror assembly adapted for mounting to a side of a vehicle;

said exterior mirror assembly including a reflectance element, said reflectance element being moveably mounted on an actuator for providing remote positioning of said reflectance element;

a turn signal light assembly fixedly mounted in said exterior mirror assembly separate from said reflectance element whereby movement of said reflectance element is independent of said turn signal light assembly;

whercin said turn signal light assembly comprises at least one light source connected to a turn indicator circuit;
